

Central Park Square Athletic Club is a member of the

Fitness Network of Arizona

CPSAC is part of the local Fitness Network of Arizona, a group of independent clubs offering reciprocal facility use to their members! This means you can work out at any of the clubs listed below up to 6 times per month. Guidelines apply as follows:

- ☑ The visiting member must present their home club membership card and driver's license to the front desk upon each arrival.
- ☑ There is a maximum of 6 visits per month allowed by each member at no charge.
- ☑ In excess of 6 visits per month, the FNA club may deny access or charge a minimum guest fee of \$10 per visit.
- ☑ Members are allowed to use only the weight rooms, cardio equipment, and locker room areas at each club they visit. Use of any other amenities beyond that will be assessed a fee of \$5-\$10 per person per visit, according to each club's rules and regulations.
- ☑ Only members of each participating club are allowed reciprocity privileges. FNA members are NOT entitled to guest privileges while visiting other clubs.
- ☑ Each member visiting an FNA club assumes all risk inherent in the use of that FNA club and any of its programs. Members acknowledge that they and their respective heirs will not hold any FNA club responsible in the event of injury, loss, or death.
